

500 CLUB

HIGH STEPPERS

It was just one year ago that Sohioans launched their Sales Through Employee Participation program, and it has been a year of impressive accomplishments. More than 27,000 STEP credit card accounts have been opened, and already in the first nine months of 1959 they have topped \$1,000,000 in sales.

FIRST STEP 500 CLUB member is Ellis C. Blessing of Columbus Sales Division. Since photographed with his STEP 500 plaque—while being congratulated by President Charles E. Spahr (right), STEP Co-Ordinator Louis J. Thieken, and Columbus Division Distribution Manager Oscar E. Smith (left)—Ellis has gone on to raise his credit card recommendation total to more than 1,000.

This shows what can be done when more than 6,200 Sohioans pitch in to boost sales of their products. Pictured here are some of the leaders in this effort not previously presented in the Sohio News, plus names of the STEP honor roll members previously carried.

100 CLUB
